Welcome to the 16th Annual Marching Bands Festival at Baker University! This festival is a wonderful event showcasing the talents of many regional bands, and I greatly appreciate the long hours of practice and travel that the bands have spent in preparation for this festival. I also am very pleased that our music program faculty and students have been so involved in helping make the festival a success. To all of the band members, I hope you will consider adding to our growing music offerings here at Baker and joining us when the time is right for you to select a program. Good luck!

Dr. Brian Posler, Executive Vice President for Academic Affairs, Baker University

The BU Marching Band Festival is truly a highlight of the fall season at Baker University. It is always a thrill to see and hear so many fine high school musicians performing together and marching in step at Baker University’s Liston Stadium. I hope that you have a little time either before or after your band’s performance to take a stroll on our beautiful campus and enjoy the fall colors. We value your participation and wish you and your band much success!

Dr. Trilla Lyerla, Chair, Department of Music & Theatre, Baker University

BAKER MUSIC STUDENTS have all of the advantages an intimate small college environment affords plus the performance opportunities of much larger schools. Baker music ensembles enjoy major international concert tours every three years. This ability to offer students a wide range of musical experience makes Baker’s Music program truly unique.

Baker is regarded as the top private college in Kansas. Located in Baldwin city in northeast Kansas. Baker was the first university in the state. It has been ranked among the top private schools in the nation by Money magazine, one of the “300 Best Buys” in America by Barron’s Best Buys in College Education. Baker University is the highest-ranked Kansas University in the Midwest Universities Regional category in the 2015 edition of the U.S. News & World Report’s Best Colleges.

In addition to being an excellent experience, a Baker education is a great value. More than ninety-two percent of Baker students receive significant financial aid in the form of academic and participation scholarships, grants and loans. All of these combine to make a Baker education affordable!

The National Association of Schools of Music accredits the music department’s Bachelor of Arts in Music and Bachelor of Music of Music Education degree programs. The Bachelor of Arts degree emphasizes the study of music in a liberal arts context. This program of study is designed for students who want to double major or plan to pursue a career in musicology, composition, arts management or the music business. Students may choose to focus in Performance, Music Composition, Jazz Studies, History & Literature or interdisciplinary Music Theatre Performance. The Bachelor of Music Education program leads to preK-12 licensure in instrumental, vocal or general music. Closely aligned with the Baker University liberal arts philosophy, the B.M.E. program prepares exceptional music teachers who are able to involve critical inquiry and interdisciplinary relationships in successful music teaching. Baker also offers a minor in music for students who wish to take courses in music theory, music history, study in applied lessons and participate ensembles.

The Baker Music Department offers many performance opportunities in ensembles for students to continue their musical pursuits after high school. All ensembles are open to music majors and non-music majors. Baker offers a Symphonic Band, Jazz Band, Wildcat Pride Athletic Band, Orchestra, Concert Choir, Chamber Singers, Dixieland Band, Brass Quintet, Percussion Ensemble, Woodwind Quintet and various other chamber ensembles.

Baker bands enjoy a rich history and tradition of excellence. In addition to the Baker Marching Festival, our band faculty hosts a jazz festival every November, a high school honor band in February and a pre-festival clinic for bands every April. Our Wildcat Pride Athletic Band recently performed at Arrowhead Stadium as part of the 2014 NAIA Gridiron Classic! Our Jazz Band has performed with many world-renown artists such as jazz trombonist Harry Watters and Jazz Legend and Baker Alumnus, Kevin Mahogany!

Music Scholarships are available and offered to music majors and non-music majors for their participation in Baker University Music Ensembles and activities. Music scholarships are based on musical ability and potential shown through audition.
