

ENROLLMENT PROJECTION

In order to determine your eligibility for a student loan, please estimate the number of hours in which you will enroll over the next 12 months. To remain eligible for financial aid, you must enroll in at least one 3 credit hour course per session. Failing to enroll in at least one course per session or changing your class schedule may result in your loan being cancelled or your financial aid disbursement being delayed. Prior to any change in schedule, you should contact the Office of Financial Aid to determine how it will affect your eligibility. Students must successfully complete all courses prior to receiving additional funds.

***Do not include Direct Field Experience (DFE) hours. These hours can not be used when calculating your eligibility.**
