

Graduate Credit Course Requirements

Science City's ScienceWise courses for Baker University Credit

Graduate Credit \$70 payable to Baker University for 1 hour of Graduate Credit

Each ScienceWise course is 4 hours and you will need an additional 8 hours towards the submitted lesson plan to receive your grade.

Continuing Education Program procedural requirements are as follows:

Registration form link for the approved course(s) is below. It'll include the course number(s) and title(s), credit hours, tuition, and dates. Please mark registration appropriately.

https://bakeruniversity.formstack.com/forms/science_city_coop_reg

- 1) All participants must complete the appropriate registration link. Please remember to complete all portions of the registration form. All requested information is needed to complete processing.
- 2) Grades have to be turned in no later than 8 days after completion of the course to Baker University. You will need to submit to ssullivan@unionstation.org, a lesson plan no later than 5 days after the course has been completed.
Lesson plan should incorporate ideas, techniques and materials gained from the course you took. Lesson plans cannot be one taught or used in any course previously attended. These will be used to partially determine your grade submitted to Baker, along with attendance.
- 3) End of Course Survey – Baker is committed to continuous improvement. To ensure our programs and staff are maintaining our traditions of academic excellence, we request that each Baker student complete an End of Course Survey.

If you have any questions, or if there is anything that I can do to assist you, please don't hesitate to contact Tami Zillig at 913-344-6038 or at: tzillig@bakeru.edu.

If you need a e-copy of the course syllabus, please email ssullivan@unionstation.org.
