This transfer guide is to be used as a general guideline ONLY and is not a guarantee of transferability. Course transferability is

determined in an official evaluation of completed courses. All courses must be completed with a grade of C- or higher in order to be eligible for transfer, and are subject to the transfer limits listed below.

Transfer Category	Limit	Notes
Arts & Humanities	No more than 6 credits in any subcategory (History, Literature, etc) may be transferred as Arts & Humanities.	Any courses beyond 6 credits that are otherwise eligible for transfer will be transferred as electives.
Does Not Transfer	These courses are not eligible for transfer.	
Elective: Field Experience	No more than 6 credits may be transferred.	
Elective: Physical Education	No more than 11 credits may be transferred.	Only 8 credits of PE are factored into the transfer GPA.

NOTE: Any eligible course considered part of a category not needed for a specific degree program (ie, Math for bachelor-level programs)

will transfer as an elective, as will additional courses in categories that have already been fulfilled (ie, an eligible Science course when the student has completed the necessary Science requirements for their degree program.)
