YOUR HOST

BAKER UNIVERSITY DEPARTMENT OF MUSIC & THEATRE

Since 1858, Baker music students have had all of the advantages an intimate small-college environment affords plus the performance opportunities of much larger schools. Baker music ensembles enjoy major international concert tours every three years. This ability to offer students a wide range of musical experiences makes Baker's music program truly unique.

Baker is regarded as the **top private college** in Kansas. Located in Baldwin City in northeast Kansas, Baker was the first university in the state. It is ranked in the top 50 schools for **economic value** by *The Economist*, which is a testament to our excellent return on investment for students. Baker grads go on to earn the **highest average salaries** in the state compared to other Kansas grads, and Baker University is the **highest-ranked private** Kansas university by the *U.S. News & World Report*.

In addition to being an excellent experience, a Baker education is a great value. More than **97 percent** of Baker students receive significant financial aid in the form of academic and participation scholarships, grants, and loans. All of these combine to make a Baker education affordable!

The National Association of Schools of Music accredits the music department's Bachelor of Arts in Music and Bachelor of Music Education degree programs. The Bachelor of Arts degree emphasizes the study of music in a liberal arts context. This program of study is designed for students who want to double major or who plan to pursue a career in musicology, composition, arts management, or the music business. Students may choose to focus in performance,

music composition, jazz studies, history and literature, or interdisciplinary music theatre performance. The Bachelor of Music Education program leads to preK-12 licensure in instrumental, vocal, or general music. Closely aligned with the Baker University liberal arts philosophy, the BME program prepares exceptional music teachers who are able to involve critical inquiry and interdisciplinary relationships in successful music teaching. Baker also offers a minor in music for students who wish to take courses in music theory and music history, study in applied lessons, and participate in ensembles.

The Baker Music Department offers **many performance opportunities** in ensembles for students to continue their musical pursuits after high school. All ensembles are open to music majors and nonmusic majors. Baker offers Symphonic Band, Jazz Ensemble, Wildcat Pride Pep Band, Wildcat Drum Line, Orchestra, Concert Choir, Chamber Singers, Dixieland Band, Percussion Ensemble, Woodwind Quintet, Brass Ensemble, University Community Choir, and various other chamber ensembles.

The Baker University bands enjoy a **rich history** and **tradition of excellence**. In addition to the Baker Marching Band Festival, our band faculty host a jazz festival every November, a high school honor band in February, a pre-festival clinic for bands, and a trombone workshop. Our Jazz Band has performed with many world-renowned artists such as jazz trombonist Harry Watters, clarinetist Ken Peplowski, and jazz vocal legend and Baker alumnus Kevin Mahogany!

Music scholarships are available and offered to music majors and nonmusic majors for their participation in Baker University music ensembles and activities. Music scholarships are based on musical ability and potential shown through audition.
