

## Baker University USOE Employment Rates

Year	Number of Student Teachers	*Percentage of students Employed First Year after program completion
2019 to 2020	12	100%
2020 to 2021	25	100%
2021 to 2022	19	100%
2022 to 2023	18	100%
2023 to 2024	14	100%
2024 to 2025	13	100%

\*Percentage is based on students that actively sought teaching jobs

The Undergraduate School of Education 2024 to 2025 employment rates were 100%. The longitudinal data shows a range of 100% from 2019 to 2025. We believe that this speaks to school districts perceiving our graduates as competent educators.
